

## Let us introduce ourselves!

Choosing the right school for your child is one of the most important decisions you will ever make. Why should you choose one of ours? We have a rich background of highly successful schools dating back to the 1850's. Our schools successfully serve over 40,000 children across the United States, and recent standardized testing results demonstrate excellence in reading, language, math, science, and social studies.

Each school in our directory has its own webpage to help you with your decision. We invite you to explore our website at [ChristianSchoolsMilwaukee.com](http://ChristianSchoolsMilwaukee.com) and then:

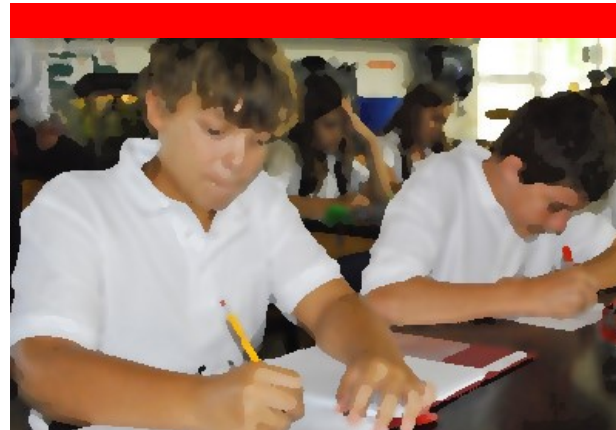

1. Find a school near your neighborhood using our interactive map
2. Feel free to contact the school(s) you're interested in to arrange a meeting and a tour of the facilities

We know that once you visit one of our schools and meet our dedicated and caring people, you'll be impressed.

Come and experience the difference. You'll see how a Christ-centered education can make the difference in the life of your family!

Our schools typically have very affordable tuition, several have grants or special introductory offers, and quite a few of them participate in the Wisconsin Parental Choice Program or the Milwaukee Parental Choice Program. Our website has more details.

## Nurturing growth

As Christian schools, we differ from public schools because in addition to providing a high-quality, secular education, all areas of learning are presented in the light of God's Word.

We seek to achieve high academic standards, enrich young lives with fine arts programs, and above all, share God's love with the world. Please explore [ChristianSchoolsMilwaukee.com](http://ChristianSchoolsMilwaukee.com) for more details.
